#### PRINTING INSTRUCTIONS

Printing on cardstock or heavy-paper is recommended. Don't have cardstock? Cut down a manilla folder to 8 1/2" x 11" size and feed the cut-down folder sheet into your printer. Be sure your printer is set to print out at 100%. Do not "scale down" or "fit to page".

#### HANDY TIPS!

- ▶ Be sure to keep chill your shortening for your best results.
- ▶ Use Agave Syrup as a vegan honey alternative.
- ▶ The lemon juice provides the acid normally present in buttermilk. This works for skim and 2% too!
