FAVORS *with* FLAVOR

Choose to favor your friends and guests with a gift that reflects your style, showcases your good taste, and is positively delicious!

When your friends and guests bake their gift, YOU will be the talk of the table. You'll work directly with our designer to create your own unique design - whether it be a modification of an existing design in our library or a custom one to accompany the vision and theme of your day.

We accept no more than two special events each month in order to ensure that your favors are ready for your big day — with time to spare.

Minimum order is 20 bags. You may split your order among different mix flavors, but minimum order for each FLAVOR is 10 bags. Favors can either be picked up locally (in Lafayette, IN), or shipped to the location of your choice.
